## **Lakeshore Foster Family and Friends No Longer Accepting Used Donations**

Lakeshore Foster Families & Friends has made the unfortunate decision to stop accepting used donations. With COVID-19 still prevalent in the community, we have limited volunteers in the office and due to the extra precautions needed to sanitize donated items, we will only be accepting new items. We have a wonderful partnership with [Kids Gear](#) in Manitowoc. They will accept gently used kids clothing or toys on our behalf that will result in a credit to our organization.

At this time, more than ever, we are relying on the community to help us continue our mission to support foster and kinship families. We have been grateful to all those who have thought of our organization in the past. We anticipate an increasing need to keep items on hand in our Foster Closet to stock bags for children who are being placed in out of home care. Lakeshore Foster Families & Friends has an [Amazon Wish List](#) which is constantly updated to coincide with the needs of our inventory in the Foster Closet. If you do not feel comfortable purchasing items from our Amazon Wish List, visit our website for a list of items that can be purchased at the store and dropped off at our office building.

Thank you to the community for your continued support.
